Pardon Our Pride

During the year 1960, we printed more than 162,810,200 Shepard pages and added more than 1,475,316 entirely new citations to our sixty-four separate editions.

In terms of sheer volume alone, we think that is an impressive accomplishment.

Yet we deem it of far greater import that while attaining that volume, we still kept inviolate the high standard of accuracy which for eighty-eight years has been a Shepard attribute.

From such performance stems the faith in our publications held by tens of thousands of lawyers so many of whom have told us time and again that Shepard's Citations is an indispensable part of sound legal research.
