In Memoriam

Professor Keith Aoki
1955-2011

He was a comic book artist, teacher, and scholar, a partner, father, and friend. He trained a critical eye on intellectual property issues from music copyrights to GMO patents, always with attention to law's impact on today's vulnerable and tomorrow's future. He was unstintingly devoted to protecting the planet's biological diversity and promoting the equal distribution of social goods. A longtime LatCrit member, he will be sorely missed.

This symposium issue is dedicated to Keith Aoki.
