## **Editor in Chief Comment**

*It has been an honor and a privilege to be the Editor in Chief of the University of Miami National Security & Armed Conflict Law Review, and to work to build this young journal into something in which our students and administration can take pride. Collaborating with my fellow Editors in Chief to bring these journals to fruition and create better systems for future years has been an incredible experience as well.*

*Thank you to the NSAC outgoing Executive Board for all of their efforts in the 2014-15 school year, as well as all of NSAC's Members and Candidates. Finally, good luck to the incoming Executive Board, we are leaving the future of the journal in very capable hands.*

## **Acknowledgements**

The editors thank the Dean of the Law School Patricia White, Faculty Advisor Professor Markus Wagner, Dean of Students Janet E. Stearns, Special Advisor to the Law Reviews Emily Horowitz, Gloria Garcia, Robin Schard, Sally Wise, the members of the journal, and the University of Miami School of Law for their generous contributions of leadership, guidance, and support, without which the digital and print journal would not have been possible.
